ABOUT ME

I am a graphic designer and web developer with a passion for creating visually striking designs and functional websites. As the web developer and designer, I specialize in branding, WordPress customization and e-commerce development. My expertise spans UI/UX, front-end development, and digital marketing visuals, ensuring impactful and engaging user experiences. I blend creativity with technical skills to build designs that not only look great but also perform effectively.

Let's create something amazing together!

MY SKILLS

ILLUSTRATOR		CANVA / FIGMA
